CONSENT TO MODIFY CONDITIONS OF RELEASE

I Christopher Marchetti, have discussed Troy Sabourin, Pretrial Services Officer, modifications of my release conditions as follows:

Based upon the result of a drug test provided by the defendant on February 26, 2008 to the U.S. Pretrial Services Office, the U.S. Pretrial Services Office recommends the following modification of the above-named defendant's conditions of release:

- Submit to any method of testing required by Pretrial Services or the supervising officer for determining whether the defendant is using a prohibited substance. Such methods may be used with random frequency and include urine testing, the wearing of a sweat patch, a remote alcohol testing system, and/or any form of prohibited substance screening or testing.
- Participate in a program of inpatient or outpatient substance abuse therapy and counseling if deemed advisable by the Pretrial Services Office or the supervising officer.

Assistant U.S. Attorney Lisa Noller was contacted, advised and has no objection to this modification.

I consent to this modification of my release conditions and agree to abide by this modification.
